Task 4 - continued!

Having found out more about student life from university students, what have you learnt about...

What students enjoy about uni...?

What advice university students have...?

Are there any words the uni students used that you aren't sure of?

Task 5

From the previous activity you've seen that students study a range of subjects. Write three subjects that sound interesting to you below, as well as at least ONE subject that you know little about. These could be based on the student profiles or what you are already interested in.

Research what studying these subjects includes using the Swansea University Prospectus: a catalogue of all the subjects available at the university.
